Remarks: <p>In answer to your question, the attached Terms of Reference for the USIB Watch Committee provide that the Chairman "will be designated by the Director of Central Intelligence after consultation with the USIB."</p> <p>I would suggest that the designation of Mr. Sheldon be mentioned by the DCI at the next USIB meeting as the simplest means of consultation.</p> <p>If you wish, I will get together with Ting Sheldon to prepare an appropriate briefing note.</p>
